FALL 2019 - SPECIAL EDITION

## HELP KEEP YOUR LOYAL CUSTOMERS SAFE!

### You just might help save a life.

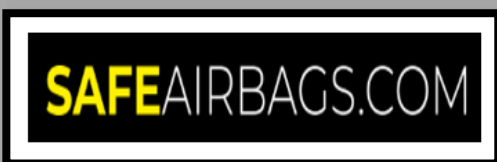

Experience is everything in the customer service industry. Create a lasting impression by checking for open safety recalls on every vehicle! It's **FREE**, easy to do, and your customers will thank you for it.

Millions of vehicles are impacted by the Takata airbag recall across 19 automakers. The odds of an unrepaired Takata recall vehicle visiting your shop is higher than you might think. And, an exploding airbag can send sharp metal fragments toward your technicians, drivers and passengers - leading to serious injury or death!

You can help prevent this.

**Do the right thing – take a second to check. You just might help save a life.**
